FOR IMMEDIATE RELEASE

FOUR YEARS OF CONSERVATIVE RULE ANALYSED IN NEW BOOK

Edited by Concordia University professors Andrew B. Gollner and Daniel Salée, Canada Under Mulroney: An End-of-Term Report (Véhicule Press, Montreal) is a searching analysis of the Mulroney government's record in office.

Canada's leading policy analysts have contributed to this book. They evaluate the major initiatives of the government on economic renewal, national reconciliation, social justice and bureaucratic streamlining. The issues facing Canadians on the eve of a federal election are vividly illuminated.

Canada Under Mulroney informs rather than preaches, enlightens rather than harangues. Intelligent, balanced and incisive, it offers a penetrating look at the PC's agenda for the 1990s, from free trade to social policy. It is a book that concerned Canadians should not ignore.
